

UKUPC Brexit Questionnaire

Please can you answer the following questions in relation to Brexit. Please ensure all responses are in relation to your business and your supply chain. If any responses are different on a regional basis then please advise in your response.

Q1. What do you see as the potential impacts from Brexit in relation to Labour considerations and what mitigating actions do you have in place. Please provide a detailed response and consider the bullet points below in your response.

Labour considerations:

- Staff retention/recruitment issues at supplier
- Staff wage cost pressures
- Key skills shortages
- Reliance on staff movement between EU & GB
- Migrant labour being used for both goods and services

Response to Q1

Potential Impacts:

Mitigating Actions:

Q2. What do you see as the potential impacts from Brexit in relation to your Supply Chain and what mitigating actions do you have in place. Please provide a detailed response and consider the bullet points below in your response.

Supply Chain:

- Ensuring continuity of supply and alternative supply (to UK and Northern Ireland where applicable).
- Potential for extended lead times/delayed availability and impacts on stock flow/levels
- Potential delays at ports or alternative ports considered (UK and Northern Ireland where applicable).
- Offshore manufacture or origin
- Reliance on component/subsidiary imports from EU
- Backlogs in achieving customs clearance for Non-EU originating products
- Exposure of supply chain partners

Response to Q2

Potential Impacts:

Mitigating Actions:
